OFFICIAL 2010 STICKER COLLECTION

A GUIDE TO THE STATISTICS

Player Data: All player ages are correct as of November 1st 2009. The player statistics in this album refer to league performances only up until the end of the 2008/09 season, and therefore do not include appearances in cups or any other competitions. Country flags refer to a player's nationality or the international country he represents and may differ from their country of birth. Where a player's career history is marked in gold the player was awarded a Premier League winners' medal for that season. Players must have made no fewer than 10 league appearances for the league winning team in order to have received a winners medal.

A photograph of a vintage electronic calculator. The top section features a large, circular digital display with a black background and white numbers, showing the value "22". Above the display is a small, stylized logo resembling a sun or a flower. Below the display is a row of function keys labeled "C", "CE", "MC", "M+", "M-", "MR", and "MS". The main body of the calculator consists of several rows of numeric and operation keys. At the bottom right, there is a label "TOTAL" followed by a small indicator light and the word "ON/OFF". The calculator has a classic, boxy design typical of mid-20th-century electronic devices.

COMPETITION!

PREMIERLEAGUE.COM

WOULD YOU LIKE TO MEET ONE OF YOUR BARCLAYS PREMIER LEAGUE HEROES?

If the answer is YES then this fantastic competition is definitely for you.

Topps have teamed up with their friends at Premier League Reading Stars to offer 30 lucky collectors the chance to take part in a special Reading Stars Workshop.

Every season, Premier League Reading Stars asks top Premier League players to recommend their favourite books and encourage people of all ages to read and write more.

The special Reading Stars workshop will take place at one of Topps' fantastic Swap & Play events[®] during Easter 2010. The session will include loads of exciting reading activities as well as a Question and Answer session with a Premier League player.

HOW TO ENTER

To enter this once in a lifetime competition, all you have to do is write a match report of a Barclays Premier League game. Your match report can be from a game you have been to or one you have seen on TV.

Your match report must include your own made-up headline and be no more than 250 words. All match reports will be judged by a panel of top experts, including Sky Sports pundit, Mick Dennis, and Barclays Premier League legend, Robbie Earle.

Send your entry by post, including your home address and a contact telephone number to:

Premier League Reading Stars
Football Foundation
Whittington House
19-30 Alfred Place
London
WC1E 7EA

Or e-mail your entry including your home address and a contact telephone number to:
ralph.newbrook@footballfoundation.org.uk

The closing date for all entries is 01/03/10.

Good luck!

- Notes & conditions:**
